1. I note that [] is listed as the candidate for the Administrative Officer slot in ASB. As you are aware, this slot will carry an "A" designation and I am confident that Col. White will insist that one of his career service be nominated. [] has a "D" designation and as far as I know wants to remain in this career service. Even if he desired to seek "A" service this would have to be approved by Col. White.

2. I call the above to your attention in order that any assignments and/or readjustments in this position may be decided before we go too far down the path only to find out that the powers-that-be disapprove.
